**\*\*\*All participants must bring release form to party signed by their parent/guardian. (NO RELEASE-NO PARTICIPATION)\*\*\***

2-For safety and organization there are **NO YOUNGER CHILDREN 0-3 ALLOWED IN POOL WITHOUT THEIR PARENTS**, unless they know the rules of our pool and have been through lessons here.

3-Have each child at least bring their own towel. We have goggles they can borrow if they would like some.

### **Party Format-Private Parties:**

\*Approximately 1 hour in pool Planned & Organized by our qualified swim instructors and lifeguards

\*Approximately 1 hour afterwards to celebrate the birthday child!

\*We provide the tables and chairs. You are welcome to bring any party fun decor you would like. Please make sure all balloons are secured so they do not go up to ceiling, through heater or pool fan.

\*We can help set up and we do the clean up.

### **Recommendations:**

- Arrive within 15-30 minutes prior to the scheduled party time.
- Guests should place gifts on table provided.
- Clothing and shoes should be put in changing rooms-separate the two changing rooms-one for boys and one for girls, so they do not get wet or lost-put socks in shoes and make sure children keep their things organized.
- All pool individuals need to shower before entering pool.
- Collect and hand in all release forms from all participants to party instructor.
- Please have children wait and not run around pool area. The party instructor will mention when all can shower and get in the pool.
